Lake Louise

Recreation Area

Lake Louise Recreation Area

Lake Louise was made in 1932, when the south fork of Wolf Creek was dammed. Water depth in this 164-acre impoundment averages 9 feet, with a maximum depth of 25 feet. Panfish are a popular catch here. Anglers and hunters come to this area for its abundant game. The park is located in the heart of pheasant and duck country, making it an ideal place to set-up camp. Open year-round. A park entrance license is required.

Camping: 39 campsites/29 electric, one wheelchair accessible site, one camping cabin/sleeps four, showers and dump station

Hiking: Pheasant Run Trail connects the two campgrounds and loops around the park in 3.2 miles

Fishing/Boating: Fishing license required. Panfish. Boat ramp, wheelchair accessible fishing pier, fishing cleaning station. Over 6 miles of shoreline

Swimming: Swimming beach. No lifeguard on duty. Swim at your own risk.

Picnicking: Picnic areas, picnic shelter, playground

Located 14 miles NW of Miller
